

POLYTEC™ SERIES

Dunnage Racks

Comply with health and safety codes by keeping perishable items safely off the floor. PolyTec™ Series Dunnage Racks have built-in slats to ensure items receive proper airflow in refrigerators and freezers to reduce spoilage. These back-of-store merchandisers prevent tripping hazards and are easy to move using a forklift or pallet jack. Made from durable indoor/outdoor materials, Dunnage Racks are available in three different sizes to improve the storage of merchandise at convenience stores, grocers, retailers and gas stations.
